INSPECTION SUMMARY

DVDs produced by Cinema Play Entertainment were ordered from the internet. Contract inspectors reviewed 12 DVDs and identified all performers by stage name or by still photographs taken from the video. All videos reviewed contained the required 2257 information in the proper format. A total of 148 performers were identified as appearing in the 12 DVDs. Prior to the inspection, contract inspectors printed several still photographs of each performer's face from different camera angles. During the inspection, the still photographs were compared with the performer identification on record to ensure the identification was, in fact, of that performer.

After the inspection on 06/27/2007, it was determined Cinema Play Entertainment had one 2257 violation.

During this inspection, all provisions of 18 U.S.C. §2257 guidelines were followed by the inspection team.
